

Meeting 5:

16/04/2022

Agenda:

1. What everyone has done since the past meeting
2. Going through a website and adding ideas
3. Thoughts on a project

Actions:

1. Andrew to add extra details to the IT professional interview: name, job title, etc.
2. Group members to add their ideas to the project
3. Ryan to merge 2 sections of the website
4. Polina to complete meeting details and include it on the website
5. Everyone to search for images to add on the website
